

TIFFEN®

Scene Makers Kit

Great
For Scenics
and Portraits!

This versatile filter kit offers three distinct filters to meet the demanding needs of today's major production challenges.

Available with Circular Polarizer in 37mm, 58mm, 62mm, 72mm, 77mm and 82mm screw-in sizes and with Ultra Pol® Circular Polarizer in 4x4 and 4x5.650 professional sizes.

10 year warranty

Made in the USA

Cool Day For Night™ Filter

- Create realistic dusk or nighttime appearance during the day
- Save on the expense of night lighting, makes use of available sunlight

812® Warming Filter

- Ideal for portraits or scenics
- Absorbs blue cast often caused by electronic flash
- Adds warmth to pale washed-out flesh tones
- Warmer results than Sky 1-A

Circular Polarizer Filter

- Essential general-use outdoor color filter
- Produces deeper skies and minimizes reflections in black and white and color photography
- Can be rotated to achieve desired effect
